COMMUNICATING WITH CONFIDENCE

WAAPA CONNECT

CORPORATE TRAINING

WAAPA Corporate Training's approach to communication and presentation skills is all about the delivery. The very performance skills that have distinguished WAAPA graduates in theatre, film and television are the foundation of all corporate training programs.

Our Corporate Training offers public enrolment courses, customised programs and personal coaching sessions.

Programs include:

- Effective leadership;
- Building better teams;
- Communicating with confidence; and
- Presentation skills.

The distinguishing feature of all WAAPA Corporate Training programs is dynamic, experiential coursework. The courses allow for real-time practice of essential presentation skills and allow time to reflect on habitual tendencies and remedy distracting communication behaviours.

With more exciting courses in development there has never been a better time to gain your competitive edge with these unique and exciting professional development opportunities.

COMMUNICATING WITH CONFIDENCE

Communicating with Confidence will give you the skills needed to speak confidently in front of an audience. Using the three P's Method of Preparation, Presence and Practice, participants will explore the essential tools for being a successful communicator in front of an audience - whether it be a group of friends, peers or 100 complete strangers. Learn how to structure a presentation and use your voice and body to connect with an audience. Explore the use of breath, visualisation techniques and exercises to develop presence to help you remain calm and in control of anxiety when you are in potentially 'high stakes' situations. Communicating with Confidence will assist you to be able to deliver your message in a way that will interest and engage any audience.
